

DOCUMENT LAYOUT: MARGIN & PITCH

MARGIN

Top | Bottom | Left | Right

Margin defines the blank space around the sheet.

Top Margin: The measurement from the top of the sheet to the top edge of the first document in the first row on the sheet.

Bottom Margin: The measurement from the bottom of the sheet to the bottom edge of the last document in the last row on the sheet.

Left Margin: The measurement from the left edge of the sheet to the left edge of the first document in the first column on the sheet.

Right Margin: The measurement from the right edge of the sheet to the right edge of the last document in the last column on the sheet.

PITCH

Vertical | Horizontal

Pitch defines the space between documents placed multiple times on a sheet.

Vertical Pitch: The measurement from the top edge of the document to the top edge of the next document on the sheet in a vertical direction.

Horizontal Pitch: The measurement from the left edge of the document to the left edge of the next document on the sheet in a horizontal direction.
