A Letter from the Pastor

Dear Doug & Cheryl,

Our sermon for the first week of November takes a deep dive into Jesus's parable of the good Samaritan (Luke 10:25-37). It is God's desire for us to extend our compassion to those that may be in need of help, even if it is an inconvenience to our short-term plans. God has an amazing way to see the big picture and to encourage us to be compassionate whenever help is needed.

In His Name,
Pastor Dan
